

TierraCast Design Library

SPECIAL ORDER AVAILABLE

Over the past 45 years we have developed over 2000 unique cast pewter, copyrighted components, only a fraction of which are included in our current catalog and website. All of these parts are now available for you to peruse in this new archive document. Parts are depicted mostly as line drawings and are not shown actual size. If a "non-stock" item is available for reproduction, they can be made special for you with a \$250 minimum per part (one design, one finish). Lead times vary from 4-8 weeks depending on your choice of finish. Scroll this treasure trove of design inspiration to find something truly special!

THINGS TO KNOW

- We are wholesale only. To order you will need to provide your active business tax ID or reseller permit number, along with your business name and contact info.
- Non-stock orders require \$250.00 per part (one design, one finish).
- Any of our finishes can be requested. Our #1 recommendation is the natural -40 Antiqued Pewter finish, our fastest, most economical and ecofriendly option.
- Generally speaking, lead times are as follows: Black and Pewter = 2 weeks, Silver, Copper, Gold, White Bronze = 4 weeks, and Brass = 8 weeks.
- Prepayment is required, and all sales are final.

We look forward to working together to create something special for you!
