How to Use: Bead Bars & Glue-ins

Easy-to-use findings for your lampwork art beads!

Instantly transform your art beads into jewelry with this stylish collection of specialty findings from TierraCastTM.

Bead Bars are specifically designed for lampwork beads made on a 3/32" mandrel and come in four versatile lengths. Mix and match with our Large Hole Caps and spacers for quick and easy finished jewelry. Change your beads to match your mood with this innovative solutions for large hole beads.

Large Hole Spacers & Caps open the door to using a wide range of stringing materials.

Glue-in Bails and end pieces are an elegant way to use your lampwork bead as the centerpiece of a pendant or a link. In mere seconds, you'll have a beautiful piece of jewelry.
