Instructions

TIP: The tassels shown are made from the barbs of peacock feathers. Use your favorite tassel making materials for this project. See our helpful Pinterest tassel tutorial.

1. Use favorite tassel making materials and Blossom crimp end caps to create two tassels. Set aside.
2. Cut one 6" piece of beading wire.
3. String one crimp bead onto wire, then thread one end of wire through one loop of one 2-1 link about 1". Thread end back through crimp bead and adjust to create 1/8" loop. Secure with crimping pliers. Trim excess wire.
4. String *7 size 11 seed beads, 4 8/0 seed beads, 3 4mm round beads, 3 faceted spacers, and 3 rondelle beads*. String on one bail. Repeat * through * in reverse order.
5. Repeat Step 3 to attach end of wire to second loop on 2-1 link, adjusting beads and wire to take up slack before securing.
6. Use one jump ring to attach one tassel to bottom of earring.
7. Attach one ear wire to top of 2-1 link.
8. Repeat Steps 2–7 for second earring.
