Instructions

TIP: If you don't want to use the finial beads and craft wire, simply replace them with head pins and seed beads and begin instructions on Step 3.

1. Cut ten 2" pieces of craft wire.
2. Use jewelers adhesive to glue one finial bead onto the end of one piece of wire. Repeat with remaining finial beads. Allow to dry.
3. ALTERNATELY: String one seed bead onto one head pin. Repeat with remaining seed beads. Set aside.
4. On one eye pin string one leaf bead cap, wide end first, followed by one 8mm flower bead, wide end first, then one scalloped bead cap. Form wrapped loop and trim excess wire. Open bottom loop
5. On one wire or head pin string one leaf bead cap, wide end first, followed by one 6mm flower bead. Form wrapped loop. Repeat three times. Set aside.
6. Repeat Step 5 with petal bead caps and 4x5mm flower beads.
7. Open one jump ring and attach bead dangles in the following order: small flower, medium flower, large flower with charm, medium flower and small flower. Attach jump ring to shank of one button. Close jump ring. Repeat with remaining dangles and second button.
8. Open one jump ring and attach to the shank of one button. Before
