Finished Size

Variable

Instructions

TIP: Before stringing beads pre-stretch cord by pulling from both ends several times. For larger bracelets just add more beads in desired pattern! Two rondelles plus 1 disk is approximately 1/2".

Bracelet 1

1. Cut one 14" piece of stretch cord.
2. String two 7mm disk spacers, *1 gemstone rondelle bead and one 7mm disk*. Repeat * through * 9 times.
3. String one 5mm disk, charm, one 5mm disk, and one 7mm disk.
4. Repeat * through * 11 times, then string final 7mm disk.
5. Secure ends with a surgeons knot (Fig 1). Add a small amount of adhesive and allow to dry.
6. Trim cord ends close to knot. Open one jump ring and place over knot. Close securely. Repeat if desired.

Bracelet 2

1. Cut one 14" piece of stretch cord.
2. String beads in the following pattern: two 7mm disk spacers, 1 lavender rondelle, *1 disk, 1 white rondelle, 1 disk, 2 lavender rondelles, 1 disk, 2 lavender rondelles*, 1 disk, 1 white rondelle, 1 disk.
3. Repeat * through * in reverse order.
4. String one faceted spacer, charm, and second faceted spacer.
5. String †1 disk, 1 white rondelle, 1 disk, 2 lavender rondelles, 1 disk, 2 lavender rondelles†, 1 disk, 1 white rondelle, 1 disk.
6. Repeat † through † in reverse order. String final disk.
7. Secure ends with a surgeons knot (Fig 1). Add a small amount of adhesive and allow to dry.
8. Trim cord ends close to knot. Open one jump ring and place over knot. Close securely. Repeat if desired.

Bracelet 3

1. Cut one 14" piece of stretch cord.
2. String two 6mm disk spacers, *1 rondelle bead and one 6mm disk*. Repeat * through * 10 times.
3. String one 5mm disk, charm, one 5mm disk, and one 6mm disk.
4. Repeat * through * 11 times, then string final 6mm disk.
5. Secure ends with a surgeons knot (Fig 1). Add a small amount of adhesive and allow to dry.
6. Trim cord ends close to knot. Open one jump ring and place over knot. Close securely. Repeat if desired.
