- 15 Intermix 3 Rings Bar (94-3214-26)
- 10 Lg. Oval Jump Ring (01-0019-09)
- 26 Med. Oval Jump Ring (01-0018-09)

Required Tools

Chain-nose pliers

Finished Size

7 inches

Instructions

TIP: To make a shorter or longer bracelet, simply add or subtract the repeats at Steps 5 and 6.

1. Use 1 large jump ring to connect the clasp hook to the center ring of a 3 Rings link.
2. Use 1 large jump ring to connect one 3 Rings bar to the right ring of the 3 Rings link placed in the previous step. Repeat to connect a second 3 Rings bar to the same ring.
3. Use 1 large jump ring to connect one 4 Rings link to the left ring of the 3 Rings link placed in Step 1.
4. Use 1 large jump ring to connect the inner ring of the 4 Rings link placed in the previous step to the first ring of the inner 3 Rings bar placed in Step 2.
5. Use 1 medium jump ring to connect one 3 Rings bar to an open ring of the last 4 Rings link placed. Use 1 medium jump ring to connect one 3 Rings bar to the remaining open ring of the same 4 Rings link.
6. Use 1 medium jump ring to connect one 4 Rings link to the end ring of the last 3 Rings bar placed. Use 1 medium jump ring to connect the end ring of the second 3 Rings bar placed to the nearest open ring of the 4 Rings link just placed.
7. Repeat Steps 5 and 6 five times to form two chains of 4 Rings links and 3 Rings bars.
8. Use 1 large jump ring to connect the end rings of the two 3 Rings bars last placed.
9. Use 1 large jump ring to connect the end ring of the outer 3 Rings bar last placed to the right ring of a 3 Rings link.
10. Use 1 large jump ring to connect the outer ring of the 4 Rings link last placed to the left ring of the 3 Rings link last placed.
11. Use 1 large jump ring to connect the open inner ring of the 4 Rings link last placed to the end ring of the inner 3 Rings bar last placed.
12. Use 1 medium jump ring to connect the end ring of the inner 3 Rings bar last placed to the 1 Ring link.
13. Use 1 medium jump ring to connect the 1 Ring link just placed to the small inner ring of the 3 Rings link last placed.
