Naughty or Nice Bracelet

He's Checking it Twice…

⌒●⌒

Design by: Tracy Gonzales

Supplies

2	6mm Taj Cord End (01-0211-61)
1	Bar & Ring Clasp (94-6016-12)
1	St. Nick Charm (94-2348-12)
2	6mm Round Jump Ring (01-0025-01)
5	3x2mm Oval Jump Ring (01-0016-01)
2	2" 21ga Head Pin (01-0028-01)
8"	5-6mm round cord, red
1	6mm Swarovski bead (Crystal Silver Shade shown)
1	4mm Swarovski bead (Jet shown)

Required Tools

Scissors, chain or flat-nose pliers (2), round nose pliers, ruler, Super New Glue or E6000 Adhesive*, toothpick (optional)

Finished Size

7-9 inches

Instructions

TIP: *Choose E6000 if your cord is a loose fit in the cord end. The thicker adhesive will take up extra space.

1. Determine desired bracelet length and trim cord to desired size, allowing 1½" for cord ends and clasp.
2. Apply glue into one cord end, dabbing some around sides and placing some at the bottom. (Use toothpick if helpful.)
3. Insert one end of cord into cord end, turning it so that hole faces up when bracelet is lying flat on work surface.
4. Repeat Steps 2 and 3 at other end.
5. Allow to dry.
6. String one crystal bead onto one head pin. At top of bead bend wire over at right angle, trim to 3/8" and form simple loop. Repeat with second crystal bead and head pin.
7. Open one oval jump ring and attach charm. Close jump ring. Repeat with crystal dangles, clasp ring, and clasp bar.
8. Open one round jump ring and attach to hole of one cord end. Before closing jump ring string on crystal dangles, charm and clasp ring. Close jump ring.
9. Repeat Step 8 at other end, adding clasp bar before closing jump ring.
