## Instructions

**TIP:** This design could easily be done with craft wire instead of our 22 gauge eye pins, just change the simple loops to wrapped loops for security.

1. String 3 gemstone beads onto 1 eye pin. After last bead fold wire over at right angle and trim tail to about 3/8". Use round nose pliers to form simple loop. Repeat 4 times.
2. Pick up 1 beaded link and open loop at one side. Attach to 1 Reina link and close loop. Attach a second beaded link on other side of Reina link.
3. Repeat until all elements are connected.

4. Open 1 jump ring and attach to clasp loop. Before closing attach to beaded link at one side of bracelet. Close jump ring.
5. Open 1 jump ring and attach to Reina link at other end of bracelet. Close jump ring.
6. Open final jump ring and attach clasp bar to jump ring placed in Step 5. Close jump ring.
