Supplies

- 2 GF 3mm Bead Ear Wire (90-3120-02)
- 2 Bow Bead (94-5610-26)
- 2 Swarovski 5328 4mm Crystal, Siam
- 20 Swarovski 5328 4mm Crystal, Emerald
- 10" 24ga Artistic Wire, non-tarnish brass

Required Tools

Flush cutters, chain nose pliers, round nose pliers, Sharpie or similar to use as mandrel

Finished Size

2 inches

Instructions

TIP: Handle wire gently to avoid work-hardening and breaking.

1. Cut wire in half.
2. Pick up one piece of wire and make a right-angle bend at the center.
3. Using the Sharpie as a mandrel and rolling towards outside of bend, form one end of the wire into a large loop, finishing with tails crossed at right angles. (Fig1)

4. String 10 green crystals onto looped wire, then secure as with a wrapped loop. Trim excess wire.
5. String one red crystal and one bow bead onto straight end of wire, then secure with a wrapped loop. Trim excess wire.
6. Attach one ear wire to loop.
7. Repeat Steps 2–6 for second earring.
